

Egg Cup Bird

Materials:

- Attached two-cup section from a styrofoam egg carton
- Glue
- Construction Paper
- Scissors
- Stapler
- Crayons
- Feathers and Wiggly eyes

Instructions:

- To make the body of the bird, bend the egg carton cups towards each other so the rims are touching.
- Staple the rims together.
- Make the bird's feet and beak out of construction paper and glue to the body.
- Glue on eyes and feathers to complete your bird.
