

RSM Youth Forum on Sustainability

Schools, Teachers and Action Projects from Round 2

(Sep 2004 – October 2005):

- Avonlea – Main teacher Larry Bogden, ph. (306) 868-2000, email bogdan.larry@thundercreeksd.ca:
Project: Reducing energy consumption at rink by changing lights and capturing waste heat from compressor
- Cochrane High School – Main teacher: Juanita Tuharsky, ph. 791-8350, email: jtuharsky@rbe.sk.ca.
Project: Further enhancements to schoolyard, e.g., vines to provide privacy for day care
- Davidson/Craik – Main Paul Stinson, ph. 567-3216, email pstinson@dhs.dsd.ca.
Project: Getting Help International to come and talk to community about African village and sustainability
- Imperial – Main teacher Janice Cruise, ph. (306) 963-2240, email n/a.
Projects: Composts in classrooms; indoor terrarium; children's activity book; better food in cafeteria
- Kenaston – Main teacher Corey Apesland, ph. 252-2182, email corey@dsc.ca.
Project: Energy efficiency (change lights, computer lab to shut down after school, new exit signs)
- Lumsden High School – Main teacher: Rhonda Phillips, ph. 731-2262, email: rphillips@qvsd.ca.
Projects: Continue schoolyard naturalization (irrigation, grass by track and elsewhere); alternative energy (wind turbine); composting and recycling program; move bike racks to discourage theft
- Luther College High School – Main teacher: David Hall, ph. 791-9150, email: dave.hall@luthercollege.edu.
Project: conducting water audit to reduce water use; developing anti-sweatshop policy for school clothing purchases; car-pooling program; improving quality of cafeteria food.
- Martin Collegiate – Main teacher: Bashab Banerjee, ph. 791-8360, email: bbanerjee@rbe.sk.ca.
Project: More trees and naturalization, including field trips to examine other sites
- Martin LeBoldus High School – Main teacher: Bonnie Gantfoer, ph. 791-7250, email: n/a.
Project: Creating a sustainability mural
- Peepeekisis Pesakastew – Main teacher Brian James, ph (306)-334-3100 (no email)
Project: initiating recycling in the school
- Raymore – Main teacher Marcia Harris, ph. (306) 746-2112, email marcia.harris@scsd.ca.
Projects: **Naturalization in front of school (includes wild seed collection and focus on wet, dry, and rocky ecosystems); composting (windrow method; goal to be selling compost for gardens etc by next June); get community involved in recycling.**
